2020

March 1st – 2nd, 2020, Riyadh, Saudi Arabia
<http://yulaw2020.yu.edu.sa>

The YU Law Forum revolves around the role of law in achieving the goals of KSA Vision 2030. The forum discusses the most prominent legal developments that KSA has witnessed, which will be presented and discussed by a select elite of legal specialists from related government institutions, lawyers, advisors and faculty members from colleges of law and Shariah. The Forum program features keynote speeches, panel discussions and presentations on the latest developments in various legal fields at the national and international levels; especially in the areas of instating and developing legislations related to business development, enhancing investment-friendly environments, encouraging the integration of technology and copyright protection. In addition to exploring mechanisms for enhancing the abilities of legal and judicial professionals, the forum also addresses the obstacles and challenges that face legal work, ways to overcome them and how to utilize comparative laws in this area.

Topics of the papers featured at the YU Law Forum include but are not limited to:

Law and copyright protection

- Development of copyright protection regulations in light of Vision 2030
